INFORMATION PACKET

Operation Smile

Operation Smile, a worldwide children's medical charity that provides free reconstructive surgery for children born with facial deformities, invites you to create new smiles for children in need at the 2011 Operation Smile Fundraiser. The event will celebrate more than 160,000 children around the world whose lives have been transformed by Operation Smile since 1982. With a presence in over 60 countries and new Comprehensive Care Centers providing year-round surgeries to ensure long-term self-sustainability, Operation Smile is in a better place than ever to help even more children and families in need.

This year's event, like previous years was founded with the purpose of raising awareness for the mission of Operation Smile and raising funds to enable life-changing surgeries for children with facial deformities. The local Operation Smile community is composed of a wealth of Operation Smile volunteers, donors and advocates who will come together to celebrate and support the mission during this event. Join us for a night of fun, philanthropy, and inspiration. The live auction will be comprised of exciting auction lots and guest speaker, Mr. Dick Grace, a retired Marine Officer, promises to be inspiring!

With your help and the help of our committee, we hope this event will exceed all expectations for both attendees and funds raised!

We are excited for you to join us in this celebration again this year and to help change the lives of children, one smile at a time!
